OFFICE OF THE COMPTROLLER, MYSORE GOVERNMENT

*Dated Bangalore, the* 24 October *1906*

FROM

RAI N. G. BASU BAHADUR, M.A.,
COMPTROLLER, MYSORE GOVERNMENT.

To

K.S.Chandrasekhara Iyer, Esq.,B.A.B.L.
SECRETARY TO THE GOVERNMENT OF MYSORE,
General and Revenue DEPARTMENTS

SIR,

Adverting to your letter No.Fl:1582/Gl:Fl:280-04-38 dated 17th August '06, asking me to arrange for the early publication in the Mysore Gazette of the Revised Governme[illegible] rules, I have the honor to state that the first p[illegible]e-ed from the Press having been found to have been p[illegible] only one sort of type throughout, instead of a larger smaller one for the main rules and the notes under them respectively, as in the original revised copy sent from this office, it was returned to the Press asking the Superintendent thereof to send a revised proof with the matter set in two different types. But I find on receipt of the 2nd proof also on the 20t instant, that the same uniform type has been used throughout. I herein enclose the copy received from the Press for your inspection. If the Government has no objection to the uniform type used, I request that you will be good enough to send it direct to the Press for final publication as a Government Notification in the 1st part of the official gazette. The other mistakes found in the body are very few and they have been corrected in red ink.

To save further unnecessary delay in the matter, I have thought it advisable to send the proof as received to you, instead of again returning it to the Press for resetting the types.

A note has been made by Press office on the 1st page of the Proof that the pages will be made into pamplet size, after being

About 200 copies of the Rules will be required for the use of the Treasuries in the State, and about a 100 for supply to the public. Some more may be required for the offices in the State in all 500 copies would be ample for all purposes. I request you to kindly issue the necessary instructions in the matter to the Press.

I have the honor to be,

Sir,

Your most obedient servant,

Comptroller.
